Definitely, here's a couple photos of the excavated backyards.

The 20181130 photo provides a good view of the sewer lines and cleanouts behind (b) (6)

I believe you can see the cleanout behind (b) (6) on the left side of the 20191129 photo

I'll track down a photo of the restored backyards for Paige too

Let me know if you need anything else

Austin:

Can you send us pictures of the backyard of the excavated backyards for (b) (6) (FJD08 and FJD09)? We are trying to see where the the sewer line is located.

Thanks
